Students' Choice Award Winners

At its annual faculty retreat in August, Gardner-Webb University recognizes the faculty members who receive the highest scores on the Student Opinion of Instruction survey for the most recently-completed academic year. In addition to high total scores, faculty considered for this honor must have full-time faculty status, must have taught in both the fall and spring semesters of the academic year, and must have received at least 10 evaluations each semester and at least 30 evaluations for the entire year.

Gardner-Webb

UNIVERSITY

ACKNOWLEDGEMENTS

Margaret Christopher, Media Assistant, for her technical expertise and supervision in the production process.

Joey Bridges and Mike Schau, Gardner-Webb's experts in query definition, data extraction, system maintenance, and problem-solving.

The staff of the Registrar's Office--Lou Ann Scates, Randall Cooper, Carolyn Gossett, Meline Lovelace, Sonda Hamrick, and Stephen Sain--for their patience as this project competed for my time and attention in the midst of learning new job responsibilities.

Numerous faculty and staff members whose questions and requests for information were the inspiration for generating many of the charts contained in these pages.

This year's edition of the Gardner-Webb Fact Book is dedicated to the memory of Clyde Miller.
