Academic Guidelines

1. A student can receive transfer credit for courses according to the list of equivalencies set forth within the Transfer Plan. To receive credit for a course, a student must have earned a "C" (2.0) or better in that course. Other courses taken will be evaluated for transfer on a course-by-course basis by Gardner-Webb University's Registrar Services.
2. Up to 90 transfer hours could be awarded for RN-to-BSN transfer students. For a bachelor's degree, the final 30 credit hours for graduation must be taken at Gardner-Webb.
3. Transfer hours and program requirements may vary and are dependent upon the individual student's transfer work.
4. Must have a GPA of at least 2.5 on all previous college level courses.
5. Students must complete at least the final 30 credit hours at GWU to be eligible for graduation honors.

For the latest transfer credit equivalency information, visit the [Gardner-Webb website](#).
