

Matching scholarships are offered to traditional undergraduate students, who receive ***an existing endowed or budgeted scholarship*** from any Christian church or organization with a clearly stated Christian mission and identity. To those traditional undergraduate students submitting the application on or before May 1, Gardner-Webb will match a scholarship from a Christian church or organization—dollar for dollar—up to the cost of tuition. This matching scholarship will stack on top of other institutional aid.

***The amount given by the church or Christian organization, GWU's match and ALL other forms of GWU Gift aid cannot exceed the cost of tuition.***

The intent of this scholarship is to encourage Christian churches and organizations to award scholarships to members/participants in their community who attend Gardner-Webb. The institution's scholarship committee is responsible for choosing the recipient of the matching funds from GWU.

**Requirements:**

- Student must be full-time (12 hours or more) to receive the Church Matching Scholarship (not available for summer sessions).
- Student must be enrolled in the traditional undergraduate program.
- Application should be received no later than May 1, 2021.
