Academic Guidelines

1) A student can receive transfer credit for courses according to this list of equivalencies set forth within the attached Transfer Plan. To receive credit for a course, a student must have earned a “C” 2.0 or better in that course. Other courses taken will be evaluated for transfer on a course by course basis by the Gardner-Webb University Registrar Services.

2) Students who do not have transfer credit for ENG 101, will need to register for this course during their first semester.

3) Enrollment in LIB 301 is mandatory each semester until the course is successfully completed.

4) Grades of "C" (2.0) or higher are required on all major courses.

5) A "C minus" or lower will not meet graduation requirements and the course will need to be repeated at GWU.

6) A minimum grade point average of 2.00 on a 4.00 scale is required for graduation on all course work attempted at GWU (see institution GPA).

7) Completion of a minimum of 60* credit hours with Gardner-Webb is required to be considered for graduation honors.

8) Students transferring from accredited two-year colleges may transfer up to 60* semester hours. Students are required to complete a minimum of 60* credit hours at senior (4-year) colleges or universities, with at least the final 30* hours with Gardner-Webb.

9) Students must complete at least 120* total semester hours and meet all curriculum requirements in order to be eligible for graduation.

*Sampson students beginning GWU fall 2021.
