

Memorandum of Understanding
Western Piedmont Community College and Gardner-Webb University
Transfer Admission Promise (TAP)

The Transfer Admission Promise with Gardner-Webb University provides a seamless admissions pathway for students completing their AA/AS/AAS pathway with Western Piedmont Community College (WPCC). The Transfer Admission Promise provides a pathway into either Gardner-Webb University traditional undergraduate program on the Boiling Springs campus or into the GOAL-Degree Completion Program which offers classes online and at multiple sites throughout the State of North Carolina. Students must meet all applicable admission requirements as listed in the University's Catalog.

By Collaborative Agreement with Western Piedmont Community College and Gardner-Webb University, eligible students are automatically accepted upon completing their associate degree at (WPCC) with a GPA of 2.5 or above on all previous college work and enrolling at Gardner-Webb within one year after graduation from WPCC.

Upon successfully meeting these conditions, a student who wishes to register for classes at Gardner-Webb requests a final, official transcript be sent from WPCC to Gardner-Webb University, P.O. Box 1896, Boiling Springs, NC 28017. Upon receipt of these documents, an enrollment representative from Gardner-Webb will contact the student to determine the program of the student's interest and assist with the onboarding process, including registration for classes.
