

2 - Satisfaction of Employers (R4.2, R5.3, RA4.1)

Satisfaction of Employers (Component 4.2/5.3/A.4.1)

Undergraduate

In 2019, the Department of Public Instruction in North Carolina put in place new accountability measures. Please visit [EPP Performance](#) for more information about the NCDPI Dashboard and to see the most current data. Below is the data related to Employer Satisfaction:

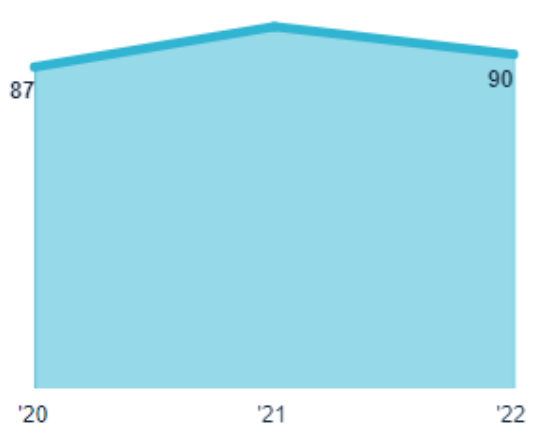

By Survey Item

Percentage performed as well or better than peers

Multicultural	87	
Adaptive	89	
Crit Thinking	89	
Families	89	
PD	89	
Reflect	89	
Solutions	89	
Data	91	
Discipline	91	
PLC	91	
Diverse Stu	92	
Class Env	93	
Clr Expect	93	
Content	93	
Diff Assess	93	
Diverse Mat	93	
Diversity	93	
ELL	93	
Stu Collab	93	
Align	94	
Relevant	94	
Stu Efficacy	94	
Use Assess	94	
Clr Comm	96	
Methods	96	
Pedagogy	96	
Tech	96	

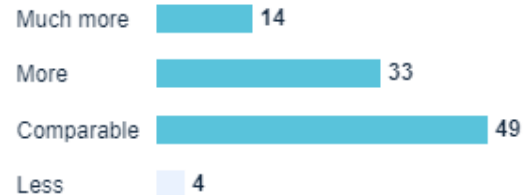

By Survey Year

Percentage performed as well or better than peers

By Response

Effectiveness compared to avg first-year teacher

Employer Response Rate

Percentage of surveys completed

The data shows that for the majority of survey items, GWU completers are rated highly (90+) when compared to their peers from other institutions. While our overall survey results are slightly lower than last years, our completers are still at 90% or above when compared to those at other institutions. Special considerations for our lowest component (Multicultural) are being made in order to on par with the other components.

2 - Satisfaction of Employers (R4.2, R5.3, RA4.1)

Graduate

Due to COVID-19, the data related to employer satisfaction was not collected by NC DPI for the following year. However, the Graduate dashboard is in development and should be rolled out by DPI in the coming months.
