Academic Guidelines

1. Entrance requirements to the Bachelor program include official transcripts from accredited institutions showing a GPA of 2.0 on a 4.0 scale and 24 transferable credits.
2. A student can receive transfer credit for courses according to this list of equivalencies set forth within the attached Transfer Plan. To receive credit for a course, a student must have earned a "C" 2.0 or better in that course. Other courses taken will be evaluated for transfer on a course by course basis by the Gardner-Webb University Registrar Services.
3. Students who do not have transfer credit for ENG 101, will need to register for this course during their first semester.
4. LIB 303 must be successfully completed.
5. Grades of "C" (2.0) or higher are required on all major courses. A "C minus" or lower will not meet graduation requirements and the course will need to be repeated at GWU.
6. A minimum grade point average of 2.00 on a 4.00 scale is required for graduation on all course work attempted at GWU (see institution GPA).
7. Students transferring from accredited two-year institutions may transfer up to 60 credit hours. Students transferring from accredited four-year institutions may transfer up to 90 credit hours. Students transferring from a combination of two- and four-year institutions may transfer a maximum of 90 credit hours with no more than 60 of the 90 hours coming from two-year institutions. All transfer students must complete at least the final 30 credit hours with Gardner-Webb.
8. Students must complete at least 120 total semester hours and meet all curriculum requirements in order to be eligible for graduation.
